Hi Robert,
This should not come out of the EPA IGAP funds, as those funds should be tied to the IGAP workplan specifically. Also, I understand that UTBB is seeing this meeting as consultation and coordination and IGAP cannot pay for Tribal Leaders for consultation related activities.

Please let me know if you have any questions.
Thanks! Tami

Good morning Tami, hey I wanted to let you know that we are Members of UTBB, and was wondering how do we pay for two council members to attend on tuesday?, do it come out of the EPA funds or it comes out of the village council's funds? Our President of the Village Council will be up there as well for the UTBB so I was told to find out on this. Thanks

Robert

Subject: EPA Administrator Visit to Dillingham and Iliamna - Attention Bristol Bay Tribal Government Officials
- Please Reply ASAP

Good Afternoon,
I wanted to let each of
your tribal governments know that we are currently planning for the EPA Administrator to be visiting Dillingham and Iliamna next Tuesday, August 27th.
Dennis McLerran, EPA Region 10 Administrator will
be accompanying the Administrator, along with several other EPA representatives to meet with interested tribal governments and other stakeholders regarding the EPA Bristol Bay Watershed Assessment. We are currently planning for open meetings in both locations.

The meeting in Dillingham
is currently scheduled in the morning and the meeting in Iliamna is scheduled in the late afternoon/early evening. I understand this is short notice but we hope that you will be able to join us in one of these
two locations on Tuesday. Please RSVP if you are able to send any tribal government officials to either Dillingham or Iliamna. Once I receive an RSVP from you I will send you the final trip details, as they are still under development. We really appreciate
hearing back from you as this will help us plan for both meetings accordingly. We also appreciate knowing how to get in touch with you in the event that any of the plans change.

If you have any questions
or would like to send an official tribal representative to this meeting please contact Rick Parkin or myself, I have included our contact information below.

Rick Parkin, Senior
Management Lead, 206-553-8574 or
parkin.richard@epa.gov
Tami Fordham, Alaska
Resource Extraction Tribal Policy Advisor, 907-271-1484 or fordham.tami@epa.gov

Please know that I will be
out of the office Wednesday through Friday, and so if you are unable to reach me via email or phone please call or email Rick.

Respectfully,
Tami
